WARBURG TEAM WINS TOURNAMENT

(Photo on Page 7)

The Warburg Trotters carried away top honors in the second annual Frank Maddock High School Basketball Tournament held in the F.M.H.S. Gymnasium last Friday and Saturday. Ball control was the strong point of the Warburg team throughout the tournament as the black and gold team blasted Seba Beach 34-18, overwhelmed Thorsby 42-31 and clinched the tournament trophy by stopping Breton 35-27 in the thrilling finale.

The tournament got off to a flying start Friday evening with the Warburg-Seba Beach game. Here the Trotters set the pattern which carried them through the tourney. They compiled a commanding score early in the game and then settled down to tight ball control. Keith Walters led the Warburg team with fourteen points but the kitty-bar-the-door type of play by Percy Gee, Clarence Bittner and Stan Kraweic featured the one-sided contest.

The other game played Friday night was a disappointment to Drayton Valley fans as the F.M.H.S. Warriors were edged by Thorsby 35-32 in a hard played contest.

Cont. on Page 7

Shown above are the winners of the Massey-Ferguson Curl-o-rama held in Drayton Valley last week. From the left are Glen Bowen, Matt Leake, Jerry Toews, representing Big Country Machinery, Adrian Meier and Bert Palmer.

MEIER RINK WINS FARMERS' BONSPIEL

Next Series in Barrhead

Five district rinks took part in the Massey-Ferguson Curl-o-Rama play-off in Drayton Valley on Wednesday and Thursday of last week. The Adrian Meier rink squeaked past the G.W. Medd rink of Tomahawk to win the right to advance to the Edmonton West area final at Barrhead on February 9th.

Last rock in an extra end was the margin of victory for the Meier rink.

The event was sponsored locally by Big Country Machinery Ltd., Massey-Ferguson dealers. About 5,000 farmers across Alberta are taking part in the annual all-farmer bonspiel.

Members of the winning rink were Adrian Meier, Matt Leake, Glen Bowen and Bert Palmer. On the runner-up rink were W.G. Medd, G. Engstrom, D. Case and O. Reich.

Moon Lake was represented in the 'spiel by a rink consisting of Danny Burki, Otto Hansen, Ben Harrison and George Moroz. Two other D.V. rinks also took part in the bonspiel. The first had as its members J.R. MacKenzie, Barbara MacKenzie, Kenneth MacKenzie and Mary MacKenzie; the second, Ernie Lindskoog, M. McCullagh, Rene Belva and Otto Stordalsvoll.

Winner of the Barrhead district final will go on to a provincial final at Red Deer on March 2nd and 3rd with the winners to travel to Toronto for the Dominion playoff.

Curl-o-rama was first introduced in 1960, with the four Western Provinces participating. The winner from each Province then participated in a playoff at Toronto to determine one final winner. The popularity and enthusiasm grew so rapidly among the farmers and Massey-Ferguson Dealers, that since 1961, Curl-o-rama has been held on a Canada wide basis.

Mr. and Mrs. John Metzger

COUPLE CELEBRATE GOLDEN ANNIVERSARY

Mr. and Mrs. John Metzger of Drayton Valley, Alberta celebrated their golden wedding anniversary on Sunday, January 30th, 1966. They were honored by their family and friends at a dinner held in the Elk's Hall Saturday evening.

Included among the many congratulations were messages received from the Rt. Hon Lester B. Pearson, Prime Minister of Canada, Hon. J. Percy Page, Lieutenant-Governor of Alberta and Hon. E.C. Manning, premier of Alberta.

Mr. and Mrs. Metzger were married in Suchin, Yugoslavia in 1916 and came to Canada in 1925. They resided in Mellowdale, Alberta until their retirement in 1959 after which they moved to Drayton Valley.

They have two sons and six daughters, 25 grandchildren and 10 great-grandchildren. Their children are: John Jr. of Vancouver; Mrs. A. (Lena) Busch, Barrhead; Mrs. C. (Katie) Bentz, Barrhead; Christina of Red Deer; Henry of Drayton Valley; Mrs. E. (Dorothy) Rendflesh, Drayton Valley; Mrs. T. (Mary) Schuman, Drayton Valley; and Mrs. J. (Eva) Cooney, Edmonton.

Alder Flats Pioneer Passes

Funeral services were held for Mrs. Norra B. Davis at Alder Flats United Church on January 25th. Captain Morris officiated. Interment took place in the Alder Flats Cemetary.

She is survived by three sons, Frank Jesfcott of Arizona, U.S.A., John and Ben Jesfcott of Alder Flats; three daughters, Mrs. J. (Josephine) Romanson of Drayton Valley and Mrs. D. (Violet) Page and Mrs. G. (Dorothy) Hoare both from London, Ontario; 19 grandchildren and 16 great-grandchildren.

Mrs. Davis passed away Thursday, January 20th at the age of 87 years in the University Hospital in Edmonton.

Born in London, England in 1879, she came West to the Alder Flats district from London, Ontario on September 3rd, 1930.

CO-OP SPEAKER FOR F.U.A. MEETING

Regular monthly meeting of the Drayton Valley local No. 519 F.U.A. will be held in the Town Hall in Drayton Valley on Wednesday February 9th at 8:00 p.m.

Secretary of the local, Les Herndon, reports that Mr. Gylander of Co-op Insurance will be present to address the meeting.

TICKETS STILL AVAILABLE FOR SPORTS DINNER

Drayton Valley and district residents are reminded of the Sportsmen's Dinner sponsored by the local branch of the Royal Canadian Legion.

The dinner will be held on February 19th in conjunction with the Legion Provincial Curling finals being played in Drayton Valley for the first time.

Jake Berg advises that a limited number of tickets are still available for the supper.

D. V. Highlights

BY MRS. EDITH DEBY

Mr. Clifford Allen, for some time a resident of Violet Grove, passed away on Tuesday after a long illness. Our sympathy is extended to Mr. Allen's family.

Ricky Dressler had the misfortune to smash his ankle on Monday when he slipped at school. He was in hospital for five days and it will be several weeks before he will be able to get about freely.

The Conrad Fuhrs returned from their Mexican holiday last week. The accounts of beautiful flowers, sunshine and deep sea fishing are enough to turn us storm bound stay-at-homes a most unbecoming shade of green.

Notice how people you have known well drop out of your life? Occasionally we speak of them and wonder where they are and what they are doing. It was a real thrill to us to get direct word of such a neighbour last week. An acquaintance had just come from way, way up on the Alaska highway. North of Whitehorse he stayed at an attractive Lodge and had his breakfast at the coffee shop run in conjunction. The owner, a pretty middle aged lady engaged our traveller in conversation. When she heard that he came from Drayton Valley she asked Do you know the Debys?". He agreed to take a message but said she should write her name because he would never remember. When the paper reached us it had a flowing well-remembered signature--Hazel Kermode.

On Thursday the Bob Mayhews will wing away from Niskew airport for four days on Vancouver Island. Bob's grandfather lives in Victoria and Mrs. Mayhew's sister and brother-in-law live at Duncan.

One of our town matrons has a very high opinion of the thoughfulness and kindness shown by one of our policemen. She was a "motorist in distress" lately and is most grateful for the aid given by a town policeman.

Tragedy struck at the home of Mr. Albert Hodgson's brother in Trail, B.C. on January 22nd. The eldest daughter was hit by a car as she walked along the highway. She lived only a few hours after the accident. Mrs. Albert Hodgson left immediately to be with the bereaved family.

CO-OP REBATE CHEQUES IN MAIL

U.F.A. Co-op rebate cheques for the Drayton Valley local No. 1932 are now in the mail. A four percent dividend was paid for purchases in the period July 31, 1964 to July 31, 1965 with a one percent deduction for the agent.

Chamber Plans New Classes

The chairman of the Drayton Valley and District Chamber of Commerce's Educational Committee, Bob Cowan, announced this week that the committee planned to arrange classes on finance and taxes starting March 2nd.

Mr. Cowan advised that he had discussed this matter with Mr. C.E. Pepper of the Provincial Department of Education who was in town last week and the plans were laid for the course and supplies ordered.

It is anticipated that there will be at least two classes and that these will in all probability be held on Monday and Wednesday evenings.

All persons interested should contact Bob Cowan at 542-4020 or 542-3265

Lutherans Elect Officers

At a recent meeting of the Emmaus Luthern Church the following men were elected to the board for 1966: President, Willie Liske; Treasurer, John Getzinger; Eldors, Adam Eckert, Emil Hagman; Trustees, Ervin Dressler, Howie Janzen, Carl Anderson; Secretary, Herb Zander; Financial Secretary, Dan Gregor; Sunday School Superintendent Chuck Schneider; Head Usher, Chuck Schneider.

All Saints' Church Congregation Meets

Congregational meeting of All Saints' Anglican Church was held in the Parish Hall last Thursday evening.

The meeting was preceded by a pot luck supper and the showing and discussion of the film "The Uncommitted."

Rev. G.E. Ingram conducted the meeting that reviewed activities of the church during the past year and made plans for the future. Reports were heard from all church organizations and an election of vestry members held.

Serving for the next year will be: J. O'Rourke, Rector's Warden; S. Moore, People's Warden; Vestry Members, L. Williams, M. Helm, R. Baker, Mrs. M. Burrows, W. Johanneson, R. Smith, J. Poloway, Mrs. R. Smith, A. Munro, J. Starling, F. Hodgson and F. Jahnke.

If the kitchen table, sink or counters are too high or too low for the housewife, she may suffer from fatigue. When planning the kitchen, make sure the equipment is of the right height.

Centennial Grants

The Honourable Ambrose Holowach, Provincial Secretary and Chairman of the Alberta Centennial Committee, and theHonourable Judy LaMarsh, Secretary of State for Canada and minister responsible for Centennial matters, have announced that Federal and Provincial approval has been granted for a further 25 applications for grants under the Federal-Provincial Centennial Grants Program.

This brings to 115 the number of applications in Alberta which have gained full approval. A total of 350 applications have been received to date, the majority of which are presently being processed in Edmonton or Ottawa. It is anticipated that just about 100% of the eligible municipalities in Alberta will have applied for grants, and will have Centennial projects underway or completed by 1967.

The latest list of approved applications in this area of the Province includes: the Town of Leduc will make additions to the arena; the Town of Stony Plain will use its grant to build a covered skating rink; the Hamlet of Buck Lake will use assistance from the County of Wetaskiwin to build a skating rink and recreation building; the Village of Eckville will create a children's playground; the Village of Bentley will build seats in their arena; the County of Lac Ste. Anne has waived part of its grant to the village of Cherhill for a community rink, and to the Village of Darwell for a recreation centre; a Centennial Park will also be created by the County of Lac Ste. Anne; a lobby entrance structure is the project of the Town of Edson; bowling greens, a clubhouse and a band shell will be the Centennial project of the Town of Devon; and the residents of the Town of Calmar will carry out a program of tree planting.

EASTER PRESENTATION PLANNED BY COMMUNITY CHOIR

At a recent meeting it was decided to sing Stainers "Crucifixion" and probably one or two choruses from Handels' "Messiah" this Easter. Practices will start at 9:00 p.m. at the United Church on Wednesday, February 9th. All those interested should attend.

ALBERTA AGAIN RAT-FREE

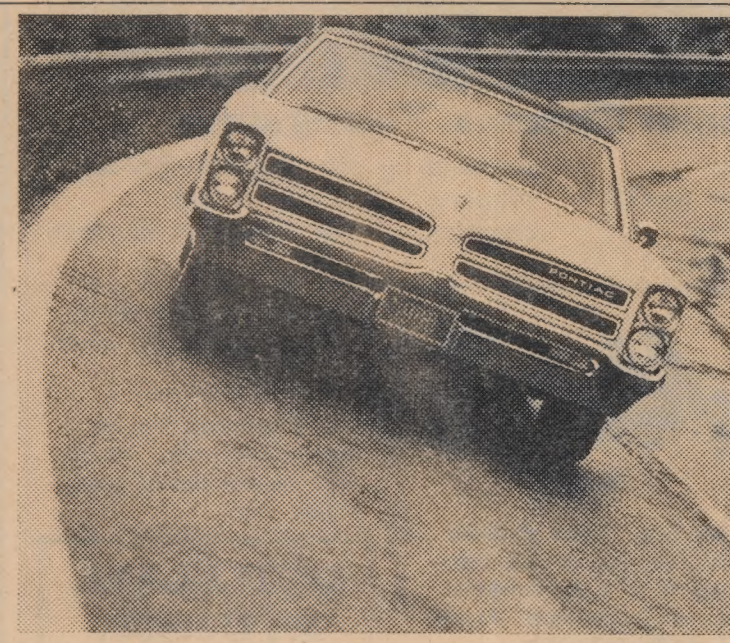
Alberta became a rat-free province once more when the few remaining infestations were eradicated last December.

J.B. Gurba, Supervisor of Crop Protection and Pest Control with the Alberta Department of Agriculture, reports that a total of 121 premises were infested with Norway rats in 1965 compared to 216 the year before. All known infestations, says Mr. Gurba, were exterminated by the fine co-operation of residents, pest control officers and other agencies. More than 3,500 farms, grain elevators and other premises were checked periodically by municipal and provincial officers.

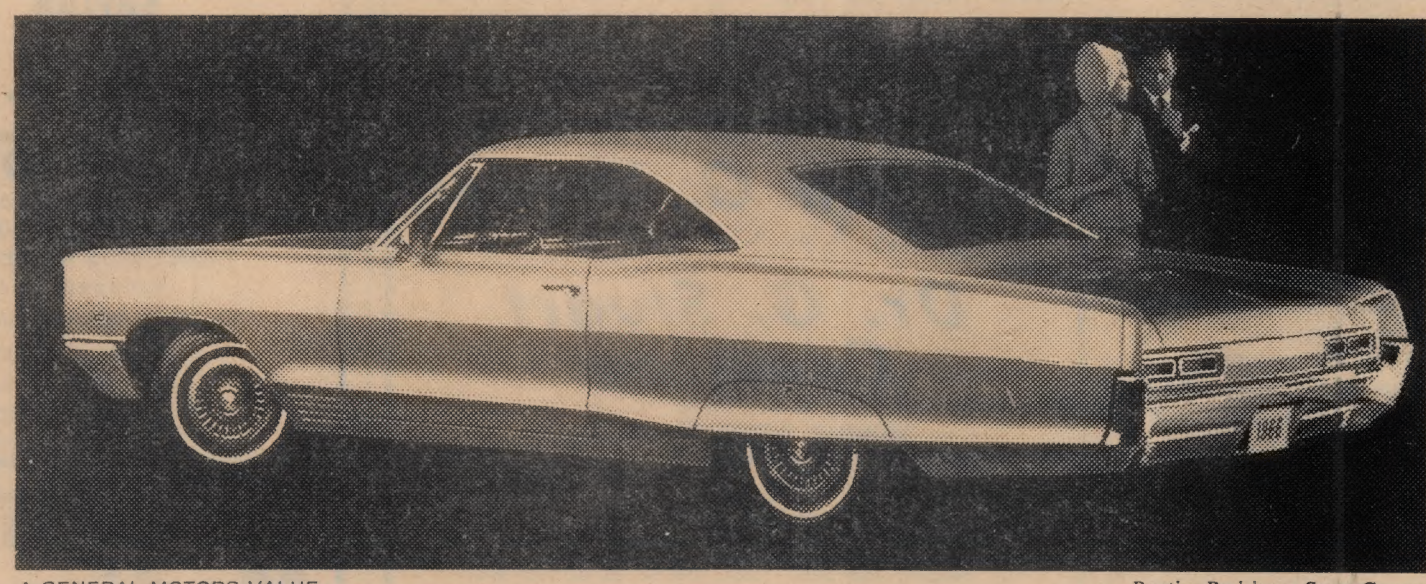
Mr. Gurba points out that the assistance given to Saskatchewan in their rat control program has been repaid by fewer problems in Alberta. The intensification of our co-ordinated program with Saskatchewan's provincial and municipal authorities has considerably decreased the rat invasion across our Eastern border.

According to Mr. Gurba, invading rats were held along the 380 mile front from Montana to Cold Lake. About 11 tons of Warfarin dry bait and 1,200 quarts of water soluable bait were used to kill an estimated 27,000 rats.

In the interior of the province, Mr. Gurba reports that 68 suspected rat cases were investigated but only 8 turned out to be rats. These local problems were dealt with by approximately 250 pest control officers appointed by rural and urban municipalities.



If you could go for a new brand of performance with this kind of beauty...



A GENERAL MOTORS VALUE

Pontiac Parisienne Sport Coupe

...then you don't have far to go!
It's as near as your Pontiac dealer's!

Pontiac's beauty wins a lot of friends. You can tell that just by looking at it. But should you wish to find out what Pontiac's new brand of performance can do for you, you really have to drive the car. Before you do, let us tell you one thing: Once you've pulled away from the curb in a new Pontiac, be prepared to smile. You're pointed toward excitement. Acceleration is quick . . . very quick. Freeway cruising is smooth and quiet. And on the roughest, twistiest roads you can find, you'll be surprised that a car with so luxurious a big-car ride can be so agile. Before we forget the practical side of Pontiac, let's remember that each one of its 54 handsome models is a full-sized family car priced just right for the performance-lover with a budget to keep. Sound like we consider Pontiac the perfect car for you? We do. Visit your Pontiac dealer today and discover why. His name is listed below.

The Success Car has done it again.

Cooking Magic

BREEZY CHEESIES

Make deep diagonal slits in tops of 12 brown 'n' serve rolls. Cut half an 8 oz. pkg. or process American cheese into tiny cubes and mix with 6 slices of crisp crumbled bacon and 2 tsp. prepared mustard; stuff rolls. Place on lightly greased cooky sheet; bake at 375°F. for 15 minutes or until rolls are golden.

HERB LOAF

1/4 cup butter or margarine
1 large clove garlic, minced
½ tsp. salt
1/4 tsp. coarsely ground pepper
1/4 tsp. tarragon
1 1-lb. loaf dark rye bread, sliced
1/4 tsp. crushed sage
1/4 tsp. thyme
1/4 tsp. dry mustard
3 tbsp. finely snipped parsley

Stir butter to soften. Add seasonings and mix well; spread generously on slices of rye bread. Reassemble loaf and wrap in foil. Heat at side of grill 15 to 20 minutes or till hot or in a 400° F. oven for 20 minutes.

SOPAPILLAS

2 cups sifted all purpose flour
3 tsp. baking powder
½ tsp. salt
1 tbsp. shortening
½ cup lukewarm water

Sift together dry ingredients. Cut in shortening until mixture resembles cornmeal. Gradually add water, stirring mixture with fork (dough will be crumbly). Turn dough out on lightly floured surface; knead till smooth ball is formed. Divide in half; let stand for 10 minutes. Roll each half to 10x12½ inch rectangle, about 1/16 inch thick. Cut into 2½ inch squares. Fry 3 or 4 at a time in deep hot fat (400°F.) about 30 seconds each side. Drain on paper towelling and roll in sugar mixture of 2 tsp. cinnamon to each ½ cup sugar. Makes about 30 sopapillas.

GARLIC BREAD

Slash long French loaf in even slices. Make the cuts on the bias -- don't cut clear through. Mash 1 clove garlic (or use ½ tsp. garlic powder). Cream into ½ cup butter. Spread generously between slices. Wrap loaf in aluminum foil or slip in a paper sack. Heat in 400°F. oven until piping hot - 15 or 20 minutes.

The digger wasp lays its eggs on tarantulas, which serve as food for the young wasp.

Editorial — Comment

Candlemas Day

On this day, February 2nd, commonly known as "Ground-hog Day," the woodchuck emerges from hibernation in his hole in the ground. He comes to the entrance and surveys the outside world for the weather forecast. If the sun is shining and he sees his shadow, he decides there will be six more weeks of winter and heads back to his bed. At least, that's the legend.

But any ground hog in his right mind would think twice before leaving his snug nest to even walk to the entrance of his den if he knew about the kind of weather we have been enjoying on the surface since Christmas.

And while we're on the subject of local weather .....

Drayton Valley Needs a Weatherman

The topic of weather, understandably, has been the subject of every other conversation these past many days. Almost everyone has his guesstimates about the degree of cold, amount of snow, wind velocity, etc. Needed is an authoritive voice on the subject and a place to promulgate his findings . . . The Western Review.

In the past the Department of Transport has set up small weather stations in communities where an interested person was prepared to keep accurate records, and of course, supply the department with regular reports. Whether D.O.T. is interested in establishing further stations is not known, but if anyone in Drayton Valley had the inclination to become the local weatherman it would be worth a letter to find out.

Keeping a record of the weather should be an interesting hobby, possibly for an older person, who would also perform an informative community service.

The editor of this newspaper would be happy to carry a weekly account of the highs, lows, precipitation, etc.

Retired people who live near tourist resorts could add to their incomes by producing handicrafts for sale. Among souvenirs that might prove popular are knitted articles, small paintings, bird houses and feeders, woodcarvings of animals and birds. Painting or burning the name of the locality onto the article would make an interesting souvenir.

The Western Review

An independent weekly newspaper published every Wednesday at Drayton Valley, Alberta by The Western Review Ltd.

VOL. II, NO. 5 FEBRUARY 2, 1966

Traffic Toll Down in '65

Fewer people died on Alberta's highways during 1965 than in 1964, reported the Alberta Safety Council today in their year-end "Traffic Accident Summary."

A total of 345 deaths were recorded in 1965 by provincial police departments compared to 351 in 1964.

RCMP accounted for 283 of the deaths while Edmonton recorded 28, Calgary 25, Medicine Hat 4, Lethbridge 3 and Ponoka and Taber 1.

Accidents showed a 9 per cent increase to 37,094. Up 3,053 from the 34,041 accidents of 1964.

Injuries also rose slightly - 5 per cent to 8,254. Three hundred and ninety-two more injuries were treated by medical authorities in 1965 than the 7,862 handled in 1964.

Eighteen deaths were reported during December, a drop of 3 from the previous year. RCMP showed 13 deaths, 8 fewer than 12 months ago. However, Edmonton reported 3 deaths and Calgary 2.

Medical aid was required in 216 more accidents in December. Seven hundred and forty-five persons suffered an jury from a motor vehicle accident during December.

Classification of the dead showed that 162 drivers were killed, 137 passengers, 41 pedestrians, 3 motorcyclists (scooter riders included), and 2 bicyclists.

PUBLIC NOTICE

Notice is hereby given that, under authority of Sections 396 and 403 of The Town and Village Act, being Chapter 338 of The Revised Statutes of Alberta, 1955, with amendments up to and including 1965, the Council of The Town of Drayton Valley, intends to proceed with the construction of the project as shown on the schedule below:

			Sub-total -		$10,218.18	2,966.88

2. Total Assessment Against:

All Properties Fronting on 2" Pavement - $68,768.35
All Properties Flanking on 2" Pavement - 3,975.62
Total - $72,743.97

3. Total Assessment Per Front Foot Against:

All Properties Fronting on 2" Pavement - 6.73
All Properties Flanking on 2" Pavement - 1.34

4. Annual Unit Rate Per Front Foot of Frontage to be payable over a period of Fifteen years -

On Properties Fronting on 2" Pavement - .69
On Properties Flanking on 2" Pavement - .14

5. Total Yearly Assessment Against All the Above Properties:

On Properties Fronting on 2" Pavement - $7050.54
On Properties Flanking on 2" Pavement - 415.36
Total - $7465.90

The cost of the project will be charged against the properties fronting and/or abutting, and shall be undertaken as local improvements. The special assessments will be payable as either a prepayment or over a period of Fifteen (15) years. Unless the majority of the owners of the land that may be assessed, representing half of the value of the land aforesaid, object, the local improvement may be undertaken and the costs thereon assessed by the system of assessment referred to in the notice.

If no objections are received the Council will proceed with this project at its discretion but within two years. Final reading of the By-law will be given as soon as all approvals have been received.

TOWN OF DRAYTON VALLEY
February 2, 1966.

Secretary-Treasurer.

ACROSS THE FENCE

W. S. MORRISON
District Agriculturist

STAN McARTHUR
Agricultural Fieldman

Now that the T.V. Short Course on "This Business of Farming" is finished there may be a number of questions on farm matters arise. Did you view all of the programs? What was your opinion of the whole course generally? What day's program had the greatest appeal for your family? How closely did the attempted solutions relate to your particular problems? Would you like further clarification on some of the matters covered by the speakers? Have you forgotten some of the material presented? When you are in Evansburg or Edson come into the Agricultural Office and give us your impressions of the course. We have available for distribution "Brochures" covering the talks given and the charts described. Please feel free to enquire for them. The reading of the outline may recall certain features of interest which may lead to more thorough study and consideration. We hope you have benefitted from the experience.

TRACTOR MAINTENANCE SCHOOL

A "Tractor Maintenance" course will be held at the I. H.C. Shop in Entwistle, February 21st to 25th, 1966. In this week long course there will be a thorough coverage of tractor maintenance including principles of the internal combustion engine, diesel engines, fuel systems, ignition systems, fuels and lubricants, cooling systems, power transmission, etc. There will be demonstrations and practical work will be done by the students. with a dynamometer for horse power determination. The course outline is flexible enough to allow for extra features and discussions.

The registration fee is $5.00. A maximum of twenty-five students can be accomodated with a minimum number of fifteen necessary to assure having the course. If you are interested, come into the Evansburg Agricultural office and give us your application.

EXTRA ENERGY AND VITAMINS FOR CATTLE

Feeding cattle has not been as difficult this winter as last because of increased forage supplies and less wind. Mr. W.C. Gordon, Livestock Supervisor, Alberta Department of Agriculture, points out that temperatures of 20 and 30 degrees below will increase energy requirements for maintenance by 15 to 20%. Thus, if a 1000 pound cow requires 18 to 20 pounds of hay for maintenance under moderate temperatures, she will need 22 to 24 pounds during these colder periods. A supplement of grain could give more energy with the regular forage during these stress periods. Lots of dry bedding and shelter from winds will minimize the heat loss and reduce the intake.

January is a good time to start giving vitamins to all your cattle, but more particularly to the cow herd. Pregnant cows require about 30,000 to 40,000 IU's of Vitamin "A" per day. Much of the hay and forage in this area the past season, because of adverse weather conditions, shows a low level of carotene (Vitamin "A"). Hence it may prove good practice for cattlemen to supply both Vitamin "A" and "D". This may be accomplished by using a dry synthetic mix with grain, or added in the water supply, or by injection.

Share in the wealth of Alberta

Alberta is experiencing a period of exciting growth. Many major projects are being developed or completed but they are only a fraction of our province's potential. Every day plans are formulated for new projects which greatly accelerate Alberta's development. By purchasing Alberta Investment Fund Certificates you can participate in the growth and the increasing wealth of Alberta.

ALBERTA INVESTMENT FUND CERTIFICATES

- Guarantee annual minimum 3½% dividends.
- Offer additional dividends as determined by the net earnings of the fund.
- Can be purchased from any Treasury Branch, Chartered Bank or Investment Dealer in Alberta.
- Available in denominations of $100.00 or multiples of $100.00.
- Are transferable at any time.
- Alberta Investment Fund is a Crown Corporation and is exempt from income tax. Holders of Investment Certificates therefore, are NOT entitled to claim a dividend tax credit on dividends paid by the Corporation.

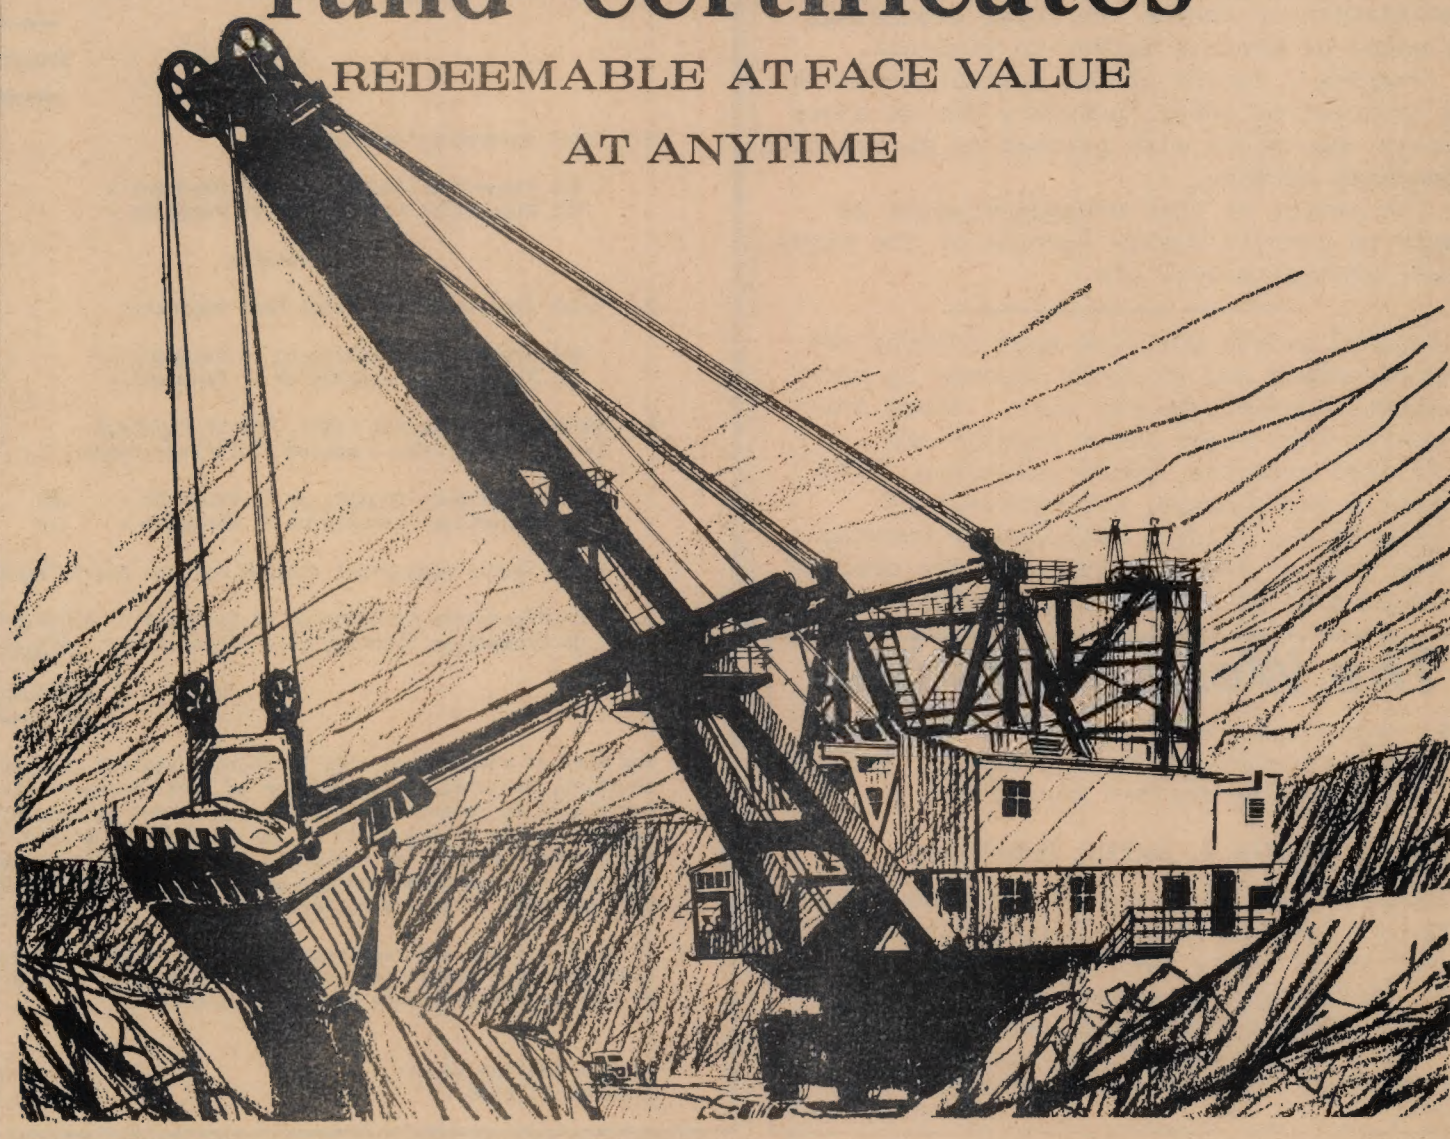
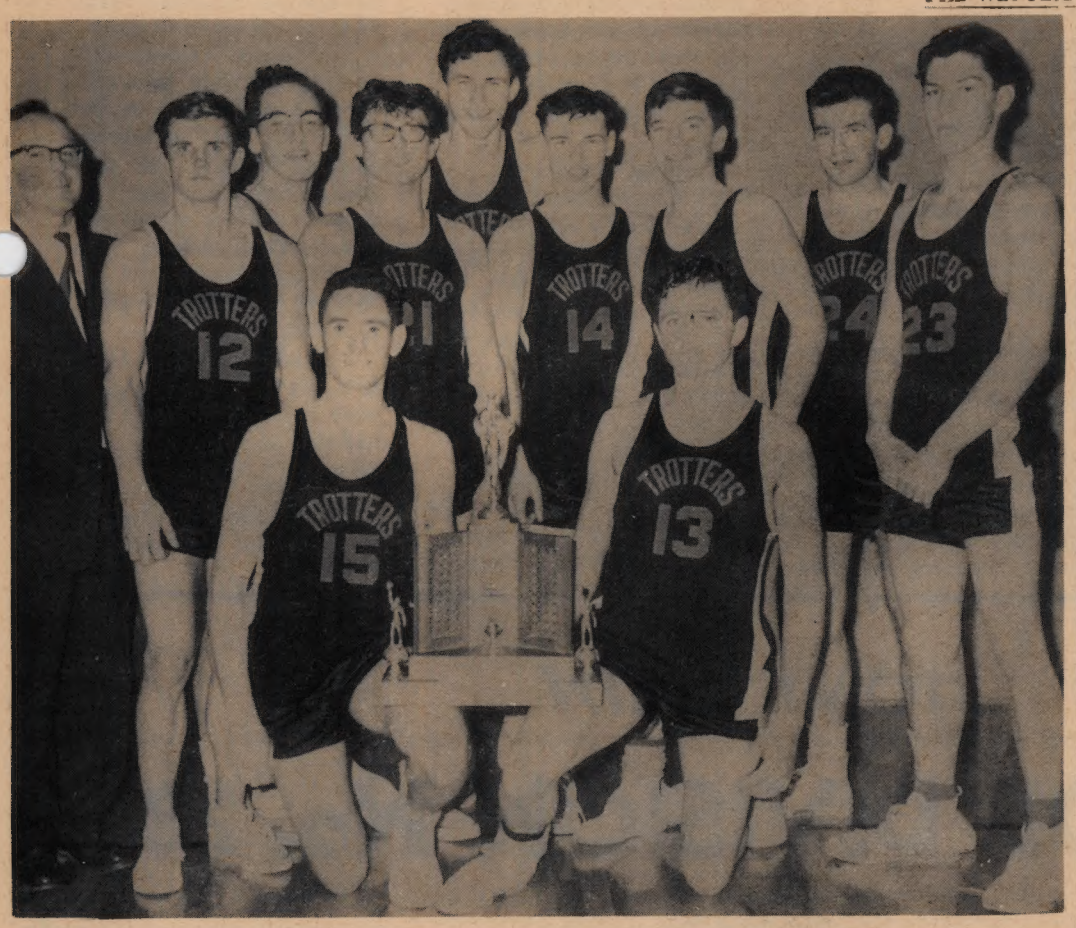
REDEEMABLE AT FACE VALUE

AT ANYTIME





Shown are members of the Warburg Trotters basketball team who won the annual tournament in Drayton Valley last weekend.

Warburg Wins Tournament

Cont. from Page 1

Once again Jim Cathrea led the Warrior attack with eleven points. Ralph DeGeest had eight markers while Larry Metelski accounted for six points. Allen Dublanke led the Thorsby rush with 17 points. The game was close from beginning to end with the lead changing hands several times. The Thorsby team put on the pressure in the late moments of the game to account for their margin of victory.

Things got underway Saturday morning with Stony Plain crushing Evansburg 42-5. From the first minute the issue was never in doubt as the Stony five led by Henry Hryniw piled up points almost at will.

This was followed by another one-sided fixture as the Breton team rolled over Winfield to the tune of 67-14. Ron Hansen and Lyle Purdy led the rout with 33 and 16 points respectively. Hal Klouzny got 8 markers for Winfield.

From here on the surviving teams really got down to business. Warburg faced Thorsby in the first game of the semi-final round. Once again Warburg played their familiar pattern, took an early lead and played a tightly controlled game to win 42-31. Again Clarence Bittner led the Trotter attack with thirteen points. Percy Gee had eight and Doug Sulz had ten in the winning cause. The bright light for Thorsby in this game was fifteen-year old Doug Bentley, a grade nine student, who played a tremendous defensive game and also led his team in scoring with twelve points.

Next came what many considered the best game of the tournament. Stony Plain squared off against Breton to qualify to meet Warburg in the final. This was a thriller from the opening whistle. Breton held a slight edge in play and on the scoreboard throughout most of the first half, however, the green shirted Stony Plain crew led once again by Henry Hryniw had a two point lead at the half-time whistle. The second half featured fast and thrilling basketball with little to choose between the two teams. One would take edge

PUBLIC NOTICE

Notice is hereby given that, under authority of Sections 396 and 403 of The Town and Village Act, being Chapter 338 of The Revised Statutes of Alberta, 1955, with amendments up to and including 1965, the Council of The Town of Drayton Valley, intends to proceed with the construction of the project as shown on the schedule below:

By-law No. 352
Schedule "A"

1. Local Improvement Assessment for Pavement - Industrial Area

Item	On	From	To	Block	Assessable Frontage L. Ft.	Assessable Flankage L. Ft.
1.	53 Ave.	52 St.	54 St.	10	369.90	329.80
2.	53 Ave.	53 St.	54 St.	6	369.90	329.80
3.	Lane	51 Ave.	52 Ave.	Rear 3	466.80	--
4.	Lane	51 Ave.	52 Ave.	Rear 4	466.80	--
			Total -		1,673.40	659.60

2. Total Assessment Against:

All Properties Fronting on 2" pavement -	$11,261.98
All Properties Flanking on 2" pavement -	1,266.43
Total -	12528.41

3. Total Assessment Per Front Foot Against:

All Properties Fronting on 2" pavement -	6.73
All Properties Flanking on 2" pavement -	1.92

4. Annual Unit Rate Per Front Foot of Frontage: to be payable over a period of fifteen years -

On Properties Fronting on 2" pavement -	.69
On Properties Flanking on 2" pavement -	.20

5. Total Yearly Assessment Against All above Properties:

On Properties Fronting on 2" pavement -	1,154.65
On Properties Flanking on 2" pavement -	131.92
Total -	$1,286.56

The cost of the project will be charged against the properties fronting and/or abutting, and shall be undertaken as local improvements. The special assessments will be payable as either a prepayment or over a period of Fifteen (15) years. Unless the majority of the owners of the land that may be assessed, representing half of the value of the land aforesaid, object, the local improvement may be undertaken and the costs thereon assessed by the system of assessment referred to in the notice.

If no objections are received the Council will proceed with this project at its discretion but within two years. Final reading of the By-law will be given as soon as all approvals have been received.

Warburg Wins

Cont. from Page 7

in scoring then the other as they moved down the court at a terrific pace. Breton put on a whirlwind finish to score four points in the final minute of play to defeat the ever dangerous Stony Plain team 35-31. Ron Hansen led the Breton attack with twelve points. Lyle Purdy got eight markers and Elwood Johnson added six more.

Now the stage was set for the final between Breton and Warburg. Two other games were played, however, before those two red hot squads got on the court. In a qualifying game for third place standing in the tourney Stony Plain had no trouble disposing of Thorsby by a score of 52-18. As per usual Stony's super star, Henry Hryniw led the way with 23 points. Once again young Doug Bentley was the outstanding player on the court for Thorsby.

In an exhibition contest serving as a filler before the main event, the F.M.H.S. Warriors defeated Evansburg 34-18. Rolf DeGeest led the Warriors with 16 points while Jim Cathrea picked up twelve. There was little to choose between the teams in the first half, however, the home team had a decided edge in the final part of the game.

The Warburg-Breton game was another thriller, but did not match the pace set by Breton and Stony Plain earlier in the day, mainly because of Warburg's ball control tactics. The Trotters took an early lead and clung to a slim edge in scoring throughout most of the game. The Breton team never stopped trying, however, and were a constant threat right up to the final whistle. Outstanding for Warburg were Bittner, Gee, Sulz and Walters, while Ron Hanson, Eliuk and Johnson carried the mail for Breton.

The tournament All-Star team as picked by the tournament committee were as follows: Doug Bentley of Thorsby, Henry Hryniw of Stony Plain, Cliff Eliuk of Breton and Clarence Bittner and Doug Sulz of Warburg.

The officiating of the tournament was very ably handled by Paul Bradley, Rev. Fr. E.J. Lynch, Bob Barker, Doc Hodley, Alex Blaken and Barry Rosenberger.

In the cheerleading phase of the tournament the tartan clad Warburg group won first prize. (Possibly the proximity of Robert Burn's Day was a deciding factor.) The winsome Evansburg group all decked out in blue and white were judged second. The Drayton Valley girls, in their blue, white and gold were selected in third spot. We might add that all cheerleading groups did a tremendous job and were a great credit to the spirit of the entire tournament

All in all, it was a splendid tournament. We saw some excellent basketball, competition was keen and the victors certainly deserved their laurels.

Emigration from Canada in the 1946-64 period is estimated at about 1,000,000.

Evansburg News

Mrs. Bruner, Correspondent.

Even if it is late in the new year, Evansburg residents and this reporter wish everyone everywhere a bright and prosperous New Year. With preparing for the festive holiday and taking care of six boys with the flu over the same holidays, this district news has been rather neglected by me. I sincerely hope to do better in the future.

Due to the extremely cold weather, many club meetings were not held or were so poorly attended that not much took place at any of the meetings. The group committee for the Cubs report a full pack of boys eager to learn the ways of cubbing. Thanks from the committee go to Northwestern Utilities for their donation to the cub hamper fund.

The thanks of the firemen, (volunteer brigade) go to the many residents of the village and district who supported the their drive for funds for Muscular Dystrophy victims. The sum raised was $110.16. Thanks again everyone.

Some of the residents from around here as well as from Wildwood have made use of the facilities offered by the Pembina Packers for slaughtering and processing meat.

Building, or rather beginning construction, goes on for the new telephone building here in the village The cold weather does nothing to speed up the work.

A new dress making service has been opened up downtown where the old Solo store used to be. This service may be found in the drygoods store opened by Mrs. Hazel Fausak, a district resident. The new establishment is to be known as Fads and Fashions but just now is called "Hazel's" by her many friends.

The District Agricultural Society held their January meeting on schedule but due to the very small attendance no great decisions were made. The evening was mostly spent in visiting among the few members present. This month's donation to the building fund comes from Mr. H. Hutchinson.

The school children had a half day holiday last week when the storm became so bad they were taken to their homes at noon.

On the average, there are 3.9 persons in a Canadian family.

Couple Wed in United Church

Wedding bells rang out November 20, 1965 at the Drayton Valley United Church when marriage vows were exchanged in a double ring ceremony uniting Miss Allette Dickie and Mr. William Bryan Logan, both of Drayton Valley, in holy wedlock.

The bride, entering the Church on the arm of her father, Mr. Ross Dickie, was a vision of loveliness in her full-length wedding gown of bridal white "I do" taffeta and chantilly lace. Her close close fitting lace bodice, designed with Sabrina neckline and traditional lily point sleeves, was highlighted with pearls and irridescent sequins. The dress dipped to a V at the waistline both front and back giving a slightly elongated effect. Her bouffant skirt, poised over full crinolines featured a Maria Antoinette hemline of lace caught with a bow at the front and flowing in a double tiered lace edged court train. Holding her shoulder length veil was a jewel studded crown with pearl droplets. Her only jewellery, a pendant and ear rings in sapphire blue, was a gift of the groom. A cascade of red roses completed her ensemble.

Maid of Honor, Miss Sharon Reynolds of Edmonton had chosen pastel pink peau de soie for her floor-length gown with matching accessories.

The two bridesmaids, Miss Corliss Johnson of Calgary and Miss Debbie Bell of Medicine Hat, both cousins of the bride, were dressed alike in floor length gowns of pastel blue peau de soie with matching accessories and carrying cascades of blue and white roses tied with white ribbons.

The junior bridesmaid, Miss Sherri Dickie of Medicine Hat, also the bride's cousin, was a miniature of the bride in her white gown and veil. Her bouquet was a miniature of the bride's cascade of red roses.

The groom was attended by his brother, Mr. Ken Logan of Edmonton, as best man. Mr. Dale Dickie, the bride's brother of Drayton Valley and Mr. Ivan Bell of Calgary, the bride's cousin, were groomsmen. Mr. Gale Dickie, also brother of the bride was ring bearer. All were very suave in their immaculate black suits and white ties, as was the bride's father, Mr. Dickie.

Rev. J. Strachan heard Allette and Bryan repeat their vows before the altar decked with baskets of pink, blue and white roses.

The organ music was supplied by Grant Jahnke, friend of the bride. Guest soloist, Miss Barbara Shackleton of Edmonton, also a friend, sang "The Wedding Prayer" and "O Promise Me."

Mrs. Jean Dickie was very becoming in a fur trimmed suit of light blue wool with contrasting accessories and corsage of bronze roses.

Mrs. Myrtle Logan, the groom's mother, chose a two piece suit of Italian knit in deep wine with contrasting accessories and corsage of roses.

Following the wedding, the reception and dance was held at the Elk's Community Hall where 200 guests were received and entertained. The delicious banquet was served by the Drayton Valley Elks Lodge and music for dancing was supplied by Dave Langford's orchestra.

The bride's table was centred with a three-tiered cake topped with a miniature bride and groom and flanked on either side with tall tapers wound with garlands of red and white rosettes. The knife was also decorated with red and white rosettes.

Master of Ceremonies for the occasion was Mr. Ray Wickens of Drayton Valley. The bride's aunt, Mrs. David Dickie from Pennant, Saskatchewan said the grace which well befitted the occasion of her niece's wedding. Mr. Melvin Johnson, an uncle, offered the toast to the bride.

Among telegrams received during the evening was a special one from the bride's grandparents, Mr. and Mrs. E.S. Adams of London, England, wishing Allette and Bryan many years of happiness.

For her honeymoon, the bride chose a three piece suit of royal blue velvet with all-white accessories. An orchid corsage completed her ensemble.

Out of town guests were from Lloydminster and Pennant, Saskatchewan; Medicine Hat, Calgary, Olds, Whitecourt, Wetaskiwin, Ed Edmonton, Camrose, Daysland, Rimbey, Red Deer and Ryley in Alberta.

D.V. LADY CURLERS

Attend 'Spiel

Three rinks from the local ladies club took part in the Evansburg Ladies Open Bonspiel over the weekend. The Hazel Boliantz rink of Phil Cupch, Stella Bray and Marg Balen took 2nd prize in the Second Event after losing out at the very last to the Thorburn rink of Seba Beach.

The Barb McKenzie rink of Jackie Timmons, Betty Bouschard and Ethel Striet received the prize for being the first team out of the bonspiel.

The Nevis LaBranch rink of Fay Shearer, Anne Piper and Isobel Trueman also took part in the 'spiel.

The ladies all enjoyed the very delicious home-cooked meal on Saturday which was followed by entertainment. The warm hospitality provided a good time for all.

GUIDE, BROWNIE MOTHERS TO MEET

Mothers are reminded of the meeting of the local association to the Girl Guides and Brownies to be held Thursday evening, February 3rd at 8:30 p.m. in the Scout Hall.

NOTICE

Of Preparation of Assessment Roll

1966

THE TOWN OF DRAYTON VALLEY

PROVINCE OF ALBERTA

Notice is hereby given that the assessment roll of the said municipality, made under the provisions of the Assessment Act, has been prepared and will, for thirty (30) days, be open to inspection at the office of the secretary-treasurer of the municipality during business hours and that any person who desires to object to the entry of his name or that of any other person upon the said roll or to the assessed value placed upon any property must, within thirty (30) days from the date of this notice, lodge his complaint(s) in writing with the secretary-treasurer of the municipality.

Dated this 31st day of January 1966.
(This date must be the date of posting of the notice)

W. G. JOHANNESON,
Secretary-Treasurer

MOON LAKE NEWS

Mrs. Barbara Schenk, Correspondent

Everyone had a good time at Mr. and Mrs. Harry Wall's wedding dance held Friday, January 21st in the Moon Lake Hall. The new floor made for easier dancing.

We wish Evelyn Jensen a speedy recovery and hope she is feeling better these days.

We hear that Jean Lang is a pretty good shot, she got a big coyote right in the mouth

January 28th - Mrs. Edwin Zutz (Marcia), Tomahawk Girl - 6 lbs. 15 ozs.
January 28th - Mrs. Melhen Hamden (Reia), Wildwood Girl - 7 lbs. 11 ozs.

The winner of this week's baby spoon is Mrs. Ronald Clary with her boy of 8 lbs. 4 ozs. Mrs. Clary may pick up her spoon at:

LLOYD'S JEWELLERY

COUPLE HOLIDAY IN MEXICO

Mr. and Mrs. C.D. (Red) Fuhr returned home last week from a month's vacation in Mexico. Mr. and Mrs. Norman McNeil of Spruce Grove, and the McNeil's daughter and a girlfriend accompanied them.

In Mexico they made their headquarters in Guadalajara where they enjoyed all the attractions of the sunny south.

A highlight of the trip for Mr. Fuhr was a deep sea fishing jaunt and the landing by himself of a large (in the neighborhood of six feet) marlin after a two-hour struggle. Several other smaller marlin were also taken on the trip.

FAMILY MOVES TO SWAN HILLS

Mr. and Mrs. Robert Sandrelli and daughter left Friday, January 28th to make their new home in Swan Hills where he will be in charge of the Swan Hills telephone district for A.G.T.

Mr. Sandrelli was the first telephone man stationed in Drayton Valley and worked on the micro wave system.

Mrs. Sandrelli was one of the first nurses to work at the Drayton Valley Hospital. We wish them the very best in their new home.

Through your Red Cross your help does so much for so many

PUBLIC NOTICE

Notice is hereby given that, under authority of Sections 396 and 403 of The Town and Village Act, being Chapter 338 of The Revised Statutes of Alberta, 1955, with amendments up to and including 1965, the Council of the Town of Drayton Valley intends to proceed with the construction of the project as shown on the schedule below:

By-law No. 351

Schedule "A"

Local Improvements Assessments for Sidewalks, Curbs & Gutters

1. Properties

Curbs and Gutters:

Item	Block	Side	Assessable Frontage Lineal Feet
1	10	South	369.90
2	6	North	369.90
3	45	South	464.41
4	46	North	544.11
5	27	West	379.84
6	45	North	249.26
7	24	East	602.29
8	23	East	182.00
9	46	North	800.85
10	28	South	956.47
11	40	West	400.00
12	41	West	493.00
13	40	East	400.00
14	41	East	677.49
		Total Curbs and Gutters -	6889.72

Sidewalks:

1	49	South	832.00
2	28	South	239.88
		Total Sidewalks -	1071.88

2. Total Assessment Against All Properties:

Curbs and Gutters -	$20531.37
Sidewalks -	2851.20
Total Assessment -	$23382.57

3. Total Assessment Per Front Foot:

Curbs and Gutters -	$2.98
Sidewalks -	2.66

4. Annual Unit Rate Per Front Foot of Frontage to be Payable over a period of Ten Years:

Curbs and Gutters -	40¢
Sidewalks -	35¢

5. Total yearly Assessment Against All Properties - $3131.05

The cost of the project will be charged against the properties fronting and/or abutting, and shall be undertaken as local improvements. The special assessments will be payable as either a prepayment or over a period of Ten (10) years. Unless the majority of the owners of the land that may be assessed, representing half of the value of the land aforesaid, object, the local improvement may be undertaken and the costs thereon assessed by the system of assessment referred to in the notice.

If no objections are received the Council will proceed with this project at its discretion but within two years. Final reading of the By-law will be given as soon as all approvals have been received.

TOWN OF DRAYTON VALLEY
February 2, 1966.

W. G. JOHANNESON,
Secretary-Treasurer.

Curling News

Curling action was fast and furious over the past weekend as most of the curlers deserted Drayton Valley to other towns. At Lodgepole no fewer than nine Drayton Valley rinks took part in the Open. In the Grand Challenge, Jim Striet with Dr. H. Shimbashi, Grant Shearer and Art Lund of Big Valley had no trouble in disposing of most of the opposition. In the Second Event Bill Sware with Les Wall, Barrie Harrison and Jim Crough upset Andy McCaughey in the final. In the Third Event the power packed rink of Bill Fiveland could not contend with the ice and trick shots as they lost to Dalgsted in a close final.

At Warburg Adrian Meier, with Wally Uhryn, Bert Dennis and Doug Barnes took top honors in the third event. Only one week previous to this Adrian won the Grand Challenge at Tomahawk. Adrian Meier will also represent this town in the district Massey-Ferguson playoffs in Barrhead later on this month.

The local Consol Rink had trouble at Stony Plain in the Zone 16 Playdowns. Griffith could not get the shots going for him as they won one and lost two. He commented that the competition was tops so he was not disappointed in the showing of the rink.

At the local club over the weekend Dr. H. Shimbashi with Ross Dickie, Grant Campbell and Bill Copeman won the right to represent this Zone in the Northern Alberta Corby Cup playoffs in Edmonton on the 18th and 19th of February. The competition is open to all Elks Lodges in Canada.

At Breton over the weekend, Ralph Hooke and company couldn't get the winning streak going as they brought home only good stories of the bonspiel.

At Entwistle the Drayton Valley rinks were racing for the long eared horses as the rinks of Nevis LaBranch and Barb MacKenzie came up empty handed.

Archie Griffith with Peggy McMahon, Milt McMahon and Evelyn Griffith won the "E" section of the Sunday night mixed curling league. In the "F" Section Matt Leake, Alice Leake, Glen and Marilyn McLaughlin had little trouble in wrapping up the section. The sections will now be redrawn with the top five rinks from each section in "E" and the bottom five rinks from each section in "F".

Socony Mobil Oil will be having their annual weekend 'spiel this weekend. F. DeGueest is looking after the arrangements. Some 24 rinks will participate in the one day affair, the spiel is under the social club of Socony Mobil Oil, more commonly known as the Pegasus Club.

Last draws in the men's league will be finished this week. Up to now no rink has already won a section. Deciding games will all be played this week. In the major upset of the week Howard Cathrea upset the seniors rink of Billy Rose. This now makes a three way tie in Section "B" with Cathrea, Rose and Griffith.

Draw Master, Al Casey, requests that all local rinks that are planning on entering in the Men's Open on February 24th - 27th should do so immediately. Entries have now reached the half-way mark with few outside rinks registered as yet. He hopes that this week will see most of these rinks registering in. To avoid disappointment you can sign in your entry at the rink or phone Al Casey at 542-3182 or 542-3097. The limit is set at the first 64 rinks.

Brushing the teeth immediately after eating is a "must", if the teeth are to last a lifetime. The brushes, too, should receive care being cleansed immediately after use and thoroughly dried.

ROGER CHAREST requests the pleasure of your company each Friday and Saturday, when he presents music to entertain you from early evening 'til after midnight. Casual, informal, and always good company, Roger invites you to meet him every weekend at 1260 - CFRN-RADIO. You're assured of fine entertainment.

Market Patterns For Livestock

There was a 13 per cent increase in cattle slaughtered in federally inspected plants last year, according to CDA's Markets Information Section.

And there was a change in the pattern of marketings, notes Ralph Bennet, director of CDA's Livestock Division.

The number of choice and good combined marketed last year increased by 33,259 to 1,348,871 carcasses. But percentage-wise, choice and good were down from 54.3 in 1964 to 49.3.

The pattern in slaughterings was: no increase in steers, a moderate increase in heifers. a sharp increase in cows.

The porportions of choice and good changed. The percentage of choice dropped 1.7 per cent and that of good was up 12 per cent compared with 1964. Bennett said this was in keeping with the modern trend for cattle feeders to market fed cattle carrying a little less finish, in line with consumer preferences.

The fact that more heifers were slaughtered last year testifies to another trend; heifers have been going into the feedlots, formerly occupied largely by steers, in increasing numbers in recent years.

The big jump in cow marketings was due to: the drought in Eastern Canada which caused a cut-back in the number of animals that would normally be wintered over; culling of western herds because the ranges were overstocked and the price for slaughter cows was attractive.

Bennett adds that all the product from low grade cows, known in the trade as canners and cutters, moved at favorable prices too because of the gradually developing world-wide shortage of boneless beef.

Whitecourt Squadron Visits Local Cadets

Dame Fortune smiled kindly on our local Cadet Squadron last Sunday when they hosted the Whitecourt Squadron in curling, bowling and marksmanship tournaments.

The tournaments got off to a fine start after Whitecourt arrived. They ran into tough luck when their bus broke down and they had to make speedy changes to private cars to get down here. There were two curling teams from Whitecourt to oppose our two teams and similarly for the bowling and marksmanship tournaments.

Drayton Valley Cadets managed to capture the trophies for the bowling and marksmanship and Whitecourt went home with the curling trophy.

The mothers of the Drayton Valley cadets put on a fine luncheon after the afternoon's tests and a word of thanks is in order to the ladies.

The evening's entertainment included a film "Target for Tonight" that told the story of second world war bombing runs. All cadets, I am sure, went to bed tired but happy.

CAREERS IN MENTAL HEALTH

The field of mental health is a fascinating one, and one that is not overcrowded. Students who are thinking ahead would do well to consider a career in mental health. Information is available. Write to: The Canadian Mental Health Association, 618 Revillon Building, Edmonton, Alberta.

Board Members Appointed By Council

Mrs. Cull, Mrs. Zolmer, Mrs. Ingram and Reverend Strachan have been appointed to the library board by Town Council.

It would appear that some borrowers are not entirely clear on the matter of fees charged at the library. Adults pay one dollar per year. This is a period of twelve months. If one joins in June his membership is due on the same date the following June. Children pay fifty cents.

New books this week are: "Tony" - Patrick Dennis; "May you die in Ireland" - Michael Kenyon; "Room for one More" - Anna Perrott Rose; "Air Above the Ground" Mary Stewart.

Since the magazines chosen last year did not prove to be very popular a completely new list has been ordered for 1966. These are: Outdoor Life, Field & Stream, Canadian Boy, Seventeen, Calling All Girls, Children's Digest, Humpty Dumpty, Ideals, McCall's Needlework, Wee Wisdom and Jack and Jill. Magazines may be borrowed in addition to the number of books allowed.

CHILDREN'S PLAY WELL RECEIVED

The Drayton Valley Players are very pleased with the response they had to their first performance of a children's play. The Golden Goose was staged in the gym at the St. Anthony's Separate School.

The children took part with great zest in drawing posters and this carried through with their keen interest in the play. All three performances were well attended by spellbound youngsters of all ages.

Children and matches make a dangerous combination.

Students Council In High Gear

Word has it that the members of the Frank Maddock High School Students Union are scurrying thither and yon in their preparation for the biggest event to come to any Drayton Valley school for the past couple of years.

With "Careers Night" just two weeks away, they are busy planning reception of guests, speakers, refreshments and guidance sessions as well as the host of other details which have to be taken care of before the event.

The Western Review is informed that the Home & School Association have pledged their help wherever possible and that organization's president, Mr. Bob Cowan, has urged the public to support this ambitious program and turn out for the event starting at 8:00 p.m. sharp Wednesday evening, February 16th.

HELP FOR ALCOHOLICS

Alcoholics Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking. There are no dues or fees for AA membership; it is self-supporting through members' own contributions.

AA is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes. The primary purpose of members is to stay sober and help other alcoholics to achieve sobriety.

Instead of giving children candies and soft drinks as between-meal snacks, make that fruit and oatmeal cookies milk or fruit juices.

The home-owner was delighted with the way the painter had decorated his house.

"You did a fine job," he said, "and I'm going to give you a little something extra. Here's $10.00. Take the missus to a show."

That night the bell rang and the painter stood at the door all dressed up. "What is it," the man asked. "Did you forget something?"

"No," said the painter, I just came to take the missus to a show."

Is your home really safe? To prevent home accidents, take periodic surveys of your house, from roof to basement.

BRITISH AMERICAN ANNOUNCES

Wildcat Abandoned

The Reindeer D-27 wildcat drilled in the Mackenzie Delta by The British American Oil Company Limited, operator, Imperial Oil Enterprises Ltd., and Shell Canada Limited, has been abandoned after encountering several significant gas shows at various depths.

The well was located on Richards Island at Latitude 69°06'05" North of Longitude 134°36'54" West on 200,000 acre block of land pooled from small portions of the extensive northern acreage holdings of the three companies. Situated approximately 55 miles Northwest of Inuvik the well represents the most northerly attempt on the continental mainland of Canada to establish production, and the first venture in the Mackenzie Delta area.

An encouraging sedimentary section was encountered, with a number of hydrocarbon shows, primarily gas, observed between 5160 and 11,250 feet. Exhaustive testing of these zones of interest, however, failed to indicate commercial potential.

No abnormal problems were encountered in drilling the well to total depth of 12,668 feet. Precautions were taken to protect the ground surface from deteriorating under the effect of melting permafrost. Complete winterization of the drilling unit, particularly necessary under the severe winter conditions encountered latterly, ensured maximum comfort for the crew. The well was spudded July 8, 1965 and the rig released January 5, 1966, an elapsed time of 181 days.

The hole was left with 2 7/3" tubing cemented to approximately 2,000 feet. This was done at the request of the Federal Department of Mines and Technical Surveys to permit geothermal studies of the permafrost by Professor J. Ross Mackay of the University of British Columbia.

RESEARCHERS STUDY MECHANIZATION OF TOMATO PICKING

Summerland, B.C. -- Specialists at CDA's Research Station here are looking into ways of providing partial mechanization to solve harvesting problems of tomato growers in the Okanagan Valley of British Columbia.

Scarcity of harvest help is an annual problem for the growers who raise tomato crops for both the fresh market and for processing. Several picks are required over a period of six weeks and, because of this, it is impossible to use mechanical harvesters which gather up the vines in a once-over operation.

The researchers have tried out one idea in their efforts to find a system that would make more effective use of available labor. It was a tractor-hauled trailer with a chain conveyor extending from each side out over several rows of tomato plants. Pickers hooked their full pails to the conveyors which carried them to a worker on the machine who emptied the tomatoes into bins. Empty pails were returned to the pickers by means of the conveyors.

Although it improved harvesting efficiency to some degree, the machine's effectiveness was limited by two factors: wide variations in speed and skill of the pickers and variations in yield of individual plants.

Cardium THEATRE DRAYTON VALLEY

SHOW TIME 8:00 P.M. EACH NIGHT
SATURDAY 2:00 P.M. AND 8:00 P.M.
